

BACK TO SCHOOL SUCCESS

Starting this new school year may look and feel very different – for both students and parents.

SupportLinc offers a variety of resources to assist you on your educational journey, including:

- Access to counselors 24 hours a day, 365 days a year for guidance, support and resources
- On-demand video training including preparing for school, homeschooling and virtual learning and tech safety for kids
- Referrals for tutors and supplemental learning
- Links to resources including a college prep checklist and database of public/private schools
- Articles and tip sheets on adjusting to change, child development, homework tips and more
- Information on special needs and gifted programs

SUPPORT FOR EVERYDAY ISSUES. EVERY DAY.
