SECTION INFORMATION

The PGA Board of Directors has determined that the allocation of the number of players advancing from each Section PGA Professional Championship to the PGA Professional Championship will be based on the average number of players over the last five (5) years (using actual number of eligible players starting their Championship).

All applicants must compete in the Section in which they are affiliated on their Section’s entry deadline date unless they have transferred to a new Section.

Applicants who have transferred into a new Section AFTER their Section’s entry deadline have the option of competing in their original Section or in their new Section, but not in **both**. To compete in their new Section, they must inform their new Section of their intention at least seven (7) days prior to that Section’s event.

Applicants who have transferred into a new Section PRIOR to their (former) Section’s entry deadline, and their new Section’s Championship has already taken place, the former Section must make a “special exception” and allow them to compete, even if membership records do not reflect that they are a member in good standing (in that specific Section) on the date of the former Section’s deadline.

A “no refund” policy is in effect. Please notify your Section directly if you need to withdraw after their deadline. After the entry deadline, no money will be refunded from PGA Headquarters and anyone requesting a refund after that time will be referred to their respective Section. A \$25 administration fee will be withheld for any withdrawal **prior** to the entry deadline. Any amount collected above \$60 can be refunded by the Section at their discretion.

PRIZE MONEY

Total prize money in each Section PGA Professional Championship will be a minimum of \$10,000.

METHOD OF PLAY

The Section PGA Professional Championship is a stroke play event with a minimum of 36 holes. In the event of a tie for the last advancing place or an alternate’s place, there should be a play-off as determined by the Section.

There shall be no waivers of entry deadlines unless approved by the PGA of America in its sole discretion.
