Subject: Playing Ability Test – New Sr. Yardage for PATs Playing on or after 7/1/17

Updated PAT Reporting Form

The Board of Directors recently approved senior yardage, for registrants age 50 and over, for all Playing Ability Test taking place on or after July 1, 2017. The new yardage for PATs is as follows:

New Rule in Effect Starting July 1, 2017

In order for the competition to take place, the course must have a minimum USGA course rating 68.0 for both men and women. Men under age 50 will play from a minimum of 6,350 yards to a maximum of 6,700 yards, while Women under age 50 will play from a minimum of 5,400 yards to a maximum of 5,700 yards. Men age 50 and over will play from 94% of the Men's under age 50 yardage and Women age 50 and over will play from 94% of the Women's under age 50 yardage, while retaining the Men's and Women's under age 50 target score.

Due to this new ruling we have also updated the PAT reporting form which includes a new field for listing the yardage for both senior men and senior women. The age of the registrant will be displayed on the PAT worksheet.
