

## Teaching & Coaching Track Overview Certified Professional Program

### Teaching & Coaching CPP Requirements:

- Earn 250 Career Path Education Hours (CPE Hours)
- Complete Advisement
- Document attendance at a Teaching & Coaching Summit (within 2 years)
- Complete Capstone Requirement

### CPP Registration Fee:

Includes access to the PSU Certificate, Teaching & Coaching Summit attendance documentation course, Advisement course, and Teaching & Coaching career path Capstone.

**Note: CPP Registration Fee includes 1-year access to the Education Portal for \$350. There is NO timeline for earning the CPP designation.**

### Career Path Education Hours (CPE) Options to Earn:

<b>Option 1: PSU Certificate</b>	Available in the Education Portal. Earns 100 CPE Hours. Topic: Biomechanics of Golf
<b>Option 2: Outside Sources</b>	Link to Manage CPE Hours (including forms to submit requests) can be found on your Education Programs page on PGA.org. <b><i>A maximum of 25 CPE Hours per activity.</i></b>

### Outside Sources (additional information):

- Includes workshops, training, certifications, and advanced degrees.
- A list of options for earning CPE Hours from outside sources will be forthcoming on PGA.org.
- Those not already approved require approval by the PGA Education Department.
  - Submit on PGA.org by visiting the dashboard, then clicking Your Programs under Lifelong Learning, then Manage CPE Hours.
  - Documentation required for approval includes, but is not limited to, program outline/overview and hours of material covered.
  - Additional information may be requested for approval by the PGA Education Department.
- Activities for CPE Hours must be within the past two years.

### Capstone Options (Only 1 required):

<b>Option 1: PSU Certificate</b>	Applicable Capstone included in completion of the certificate. Topic: Biomechanics of Golf (100 CPE Hours)
<b>Option 2: Career Path Capstone</b>	Guidelines available on the Education Portal.
